Mr. L. C. Rasmussen,
Sec. Twin & Cedar Creek Irrigation Co.,
Mt. Pleasant, Utah.

Dear Sir;

RE: TWIN & CEDAR CREEK DISTRIBUTION.

On June 10 you were notified of the amount due from the Twin & Cedar Creek Irrigation Company on account of services rendered by Mr. Don Jerman in distributing waters from Twin & Cedar Creek and were asked to send a check covering the amount. On June 24 I wrote you again at the request of Mr. A. E. Christenson giving some information which you said you wanted.

This account is due and payable on the first notice to you and unless I receive a check covering the full amount due, by the 15th of the month, I shall proceed to take legal steps to collect this amount.

Yours very truly,

State Engineer.
